Filled Vacant Seat

THE Boulgers were about to start on an automobile ride, when a friend who was to have gone telephoned that she was too ill to make the trip. Who would have the vacant seat? A telephone call to another friend found her ready and eager to accept the short notice invitation.

When it is necessary to change plans, the Telephone is invaluable in making last-moment arrangements.

Convincing and Unique Demonstrations Will Be Feature of Meeting

TWO ACRES OF FLOOR SPACE

Many Activities of Rural Co-operative Work Will Be Shown in Actual Operation—Parcel Postoffice Will Be Part of Exhibit at Louisville.

A talk or a lecture may be thoroughly convincing and delightful, but a demonstration must carry absolute conviction. The demonstrations that will be used in Louisville in the huge Armory, April 7, 8, 9, 10, are sure to attract the attention of the farmers, their friends and neighbors who come to the Conference. A short list of some of these various demonstrations will probably give some idea of the wide scope of this meeting. Men who understand the business will develop real organizations for the handling (1) Poultry and Eggs; (2) Vegetables and Small Fruits; (3) Farm Products; (4) Dairy Products; (5) Live Stock; (6) Purchase of Farm Requirements; and (7) Co-operative Credit. In these organizations that will be developed, an effort will be made to show exactly how the testing, grading, standardizing and packing of all the various products is done. Directors for shipping, selling, the making of returns and the finding of markets will be made features of these demonstrations.

Besides these co-operative organizations that have just been mentioned the United States Postoffice Department has arranged for space in which to equip a complete parcel post department. Instead of its being merely a dummy affair with an exhibit, parcels will be handled and sent out as they are in a great postoffice. Several of the large retail stores of Louisville will send their parcel post packages direct to this office instead of the main post office, so that there will be continuous work in handling the mail during the whole time the Armory is open for exhibition purposes. In addition to the handling of packages from the city to the country, experts will be present to show anyone how to pack eggs, butter and country produce of every type. Very few people know very much about the parcel post as yet, and this innovation should prove a tremendous advantage to those visiting the Conference.

THE PROGRAM

During the Conference of Farmers and Business Men at Louisville, April 7-8-9-10, there will be discussions and demonstrations of the following:

Co-operative Egg and Poultry Association.

Vegetables, Fruits and Farm products.

Co-operative Stock-breeding and Selling Association.

Co-operative Creamery Association.

A Conference of Country Women.

A Conference of Country Doctors.

A Conference of Country Preachers.

A Conference of Business Men for County Life Development.

A Demonstration of the New Type Rural School.

A Conference of Boys' and Girls' Clubs.

The general committee in charge of this Conference is as follows:

President, J. N. Camden, Versailles, Ky.

Vice President, J. B. Judah, Louisville, Ky.

Secretary, T. J. Coates, Frankfort, Ky.

Secretary of Farmers' Conference, Clarence Poe, Raleigh, N. C.

Secretary of the Business Men's Conference, Harry Hodgson, Athens, Ga.

Secretary of the Conference of Country Preachers, W. H. Milby, Clemson College, S. C.

Vice President of the Conference for Education in the South, S. C. Mitchell, Richmond, Va.

For information, programs, etc., address A. P. Bourland, Executive Secretary, 222 Southern Building, Washington, D. C.

Kill the Winter Fly Today

By swatting the winter fly you can prevent the birth of 5,598,720,000,000 others. This stupendous figure is the normal number of flies a single winter fly and her offspring will produce from April 15 to Sept. 10, according to the statement of Dr. L. O. Howard, United States government expert.

GREAT HALL IN WHICH CONFERENCE FOR FARMERS AND BUSINESS MEN WILL BE HELD

It is indeed very fortunate that the great Armory in Louisville happens to have a number of rooms which can be used for small sectional meetings during the Conference of Farmers and Business Men, and that it is quite close to the Auditoriums of the Seelbach and Henry Watterson Hotels. There will be no lack of space in the Armory itself or in its large balconies, for all the demonstration work that will be used. In fact, so many huge events have been handled in the Armory that there is no danger of crowding at any point.

It is fortunate that our paper has been able to secure a first-class picture of the Armory during the great Automobile Show, which was held in Louisville from February 11-14. We believe this picture will give our readers a very much better idea of the greatness of the Conference than anything that we could possibly put into a news story. If our readers are interested in any of the wonderful discussions that will take place during the Conference April 7, 8, 9, 10, or wish to know anything about co-operative dairying, co-operative poultry or fruit-marketing, or the handling of farm produce through the parcel post, it would be a splendid investment of time and money to make the trip to Louisville and talk the matter over with experts.

The Conference in Louisville April 7, 8, 9, 10, is of such importance that extremely low railroad rates have been made. You can make the trip from your home town to Louisville at that time for one fare plus 25 cents.

Words Without Rhymes.

There are many words in English that have no rhyme. As given in "The Rhymers' Lexicon," by Andrew Lang, they are as follows: Aitch, alb, amongst, avenge, bilge, bourn, breadth, brusik, bulb, colt, conch, culm, cusp, depth, doth, eighth, fifth, film, forge, forth, fugue, gulf, hemp, lounge, mauve, month, morgue, mourned, ninth, oblige, of, pearl, pint, porch, pork, poult, prestige, puss, recumb, sauce, scare, scarf, sixth, spelt, swain, sylph, tenth, torak, twelfth, unplugged, volt, warmth, wasp, wharves, width, with, wolf, wolves.

Highly Honored

Gov. McCreary has appointed Hon. N. B. Deatherage as a Trustee of the Confederate Home at Pewee Valley. This is an honor worthily bestowed and in thus distinguishing Col. Deatherage, Gov. McCreary has honored the institution as well. Col. Deatherage will worthily discharge the incumbent duties. Congratulations, Colonel.

Economy in the Home.

In keeping house it is quite as necessary to watch the outgoing as the incoming. Not the tiniest scrap of food need be wasted as long as it is good. It is wonderful what a nice pot of drippings can be kept on hand if all fat is taken care of. Sauces, too, can be often utilized in making over dishes, to give flavor or zest when lacking, as well as an addition to the soup kettle.

Made Some Difference.

"Does your husband seem to care for you as much since he became rich as he did when you and he were poor?" "Yes, I think he does. You see he has liver trouble and rheumatism and can't drink much or indulge in late suppers."—Chicago Record-Herald.

Prefer Fresh Figs.

In southern France the fig tree is now cultivated almost exclusively for the production of the fresh fruit, which has always a ready sale in the large centers. The drying of figs has been practically abandoned in this region, except for the personal requirements of a small number of growers.

Why She Felt Safe.

A little southern girl who had had a quarrel with her sister was very angry and was vowing all sorts of vengeance. Her aunt said to her: "You must not feel that way. Remember, the Bible says, 'Vengeance is mine and I will repay, saith the Lord.'" The child studied a moment, and then said: "Yes, but you know, auntie, God's a gentleman, and he couldn't do anything to a lady!"

Raw Recruit's Mistake.

Pat had joined the navy, and was being drilled with his shipmates on a pier. "Fall in!" came the order. Immediately Pat fell into the water. "Two deep!" was the next order. Pat (spluttering in the water)—"Bad scran to ye! Why didn't yiz tell me it was too deep before Oi fell in?"—Syracuse Herald.

Tip to Transgressors.

"El, er dey say," observed Br'er Williams, "de devil invented de tango dance, sinners should practice it night an' day, kaze it'll be a life-saver ter 'um w'en dey hits de hot pavement down below ter know how ter hop high."—Atlanta Constitution.
